Re: United States v. Anthony Gude
17 Cr. 461 (RMB)

SO ORDERED:

Date: 10/4/22

Richard M. Berman

Richard M. Berman, U.S.D.J.

Dear Judge Berman:

I am the attorney for Anthony Gude, the defendant in the above-referenced matter. I write without objection from the government to respectfully request a second extension of time to respond to the government's application for a writ of garnishment. The current deadline for the defendant's response is today. See Dkt. 108. However, it is requested that the deadline to respond be extended by three weeks so that I may have more time to examine Mr. Gude's financial records in an effort to reach a possible resolution with the government. Mr. Gude is currently gathering those records for us, and I expect that a three week extension will provide sufficient time to determine an appropriate response to the government's application for a writ of garnishment. The government, by AUSA Melissa Childs, has no objection to this request.

If the Court has any questions regarding this matter, please do not hesitate to contact me.

Respectfully submitted

/s/
